## Watch Out For Cyberbullying!

Two Digital Leaders from Year 5, Namrita Kaur Kambo and Hibbah Noreen, have written a message to all Lathom children.

“Bullying as we know it is defined as hurting someone verbally or physically. Has it ever occurred to you that bullying can happen online everywhere, at any time?”

In Digital Leaders Club, we have been taught to understand what cyberbullying is and the different ways it can manifest itself. We have learnt to help others when they are being cyberbullied.

If you are being cyberbullied, you should tell a trusted adult, or report the problem to [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk) or contact Childline and tell them the problem and they will help you solve it.”

*‘Our responsibilities as Digital Leaders are to help others overcome their fears with cyberbullying.’ – Namrita*

*‘We make positive differences in our community, and we work independently.’ – Hibbah.*

Thank you Namrita and Hibbah for the extremely useful information and link!

It is vital that everybody keeps themselves safe on the internet, and be aware of how to get help if they need it.
